

The Fireside Family – 3 PIECE TECHNICAL RIDER

Input List

- 1) Sky: Electro-Acoustic Guitar and Vocals. Uses an effects box so will require –
 - a) 2 x Jack leads (guitar to FX box, then FX and out) => D.I => Board
 - b) 1 x SM58 => 1 x XLR => Board
- 2) Amanda: Vocals and Djembe Drum, so will need -
 - a) 1 x SM58 => 1 x XLR => Board
 - b) 2 x Cardioid/Condenser Mics, 1 over the drum and 1 under => D.I => Board
- 3) Lorien: Vocals and Electro-Acoustic Guitar needs –
 - a) 1 x SM58 => 1 x XLR => Board
 - b) 1 x Jack lead => D.I => Board

Backline Summary

The Band will supply - 2 guitars, 1 drum, drum stand, 3 jack leads, 1 FX box, 2 guitar stands, 1 drum rug.

Venue to supply: 3 X VOCAL MICROPHONES – SHURE SM58’S OR EQUIVALENT, 2 X CARDIOID/CONDENSER MICROPHONES FOR THE DJEMBE, 5 X SWAN NECK MIC STANDS, 5 X XLR LEADS, 3 X D.I BOXES.

Frontline Description

As a minimum, we will need the venue to supply a basic P.A. This will require 2 – 4 500 watt front of house active speakers, 3 floor monitors and a minimum of a 8 track mixing desk, 5 XLR Leads, 3 x vocal mics (SM58’s) and 2 x cardioids/condenser mics , all with swan neck stands. EQ will be standard, and we would require a sound engineer to operate the system.

If the venue is unable to provide any of the equipment above, please contact either Lorien or Amanda at thefiresidefamily@gmail.com so we can coordinate other arrangements.

Notes for the Sound Engineer

We appreciate how busy it can get, so for a little heads up here is a link to our music should you have the time to get a feel for our sound. Think Ed Sheeran meets Fleetwood Mac: <https://soundcloud.com/the-fireside-family>

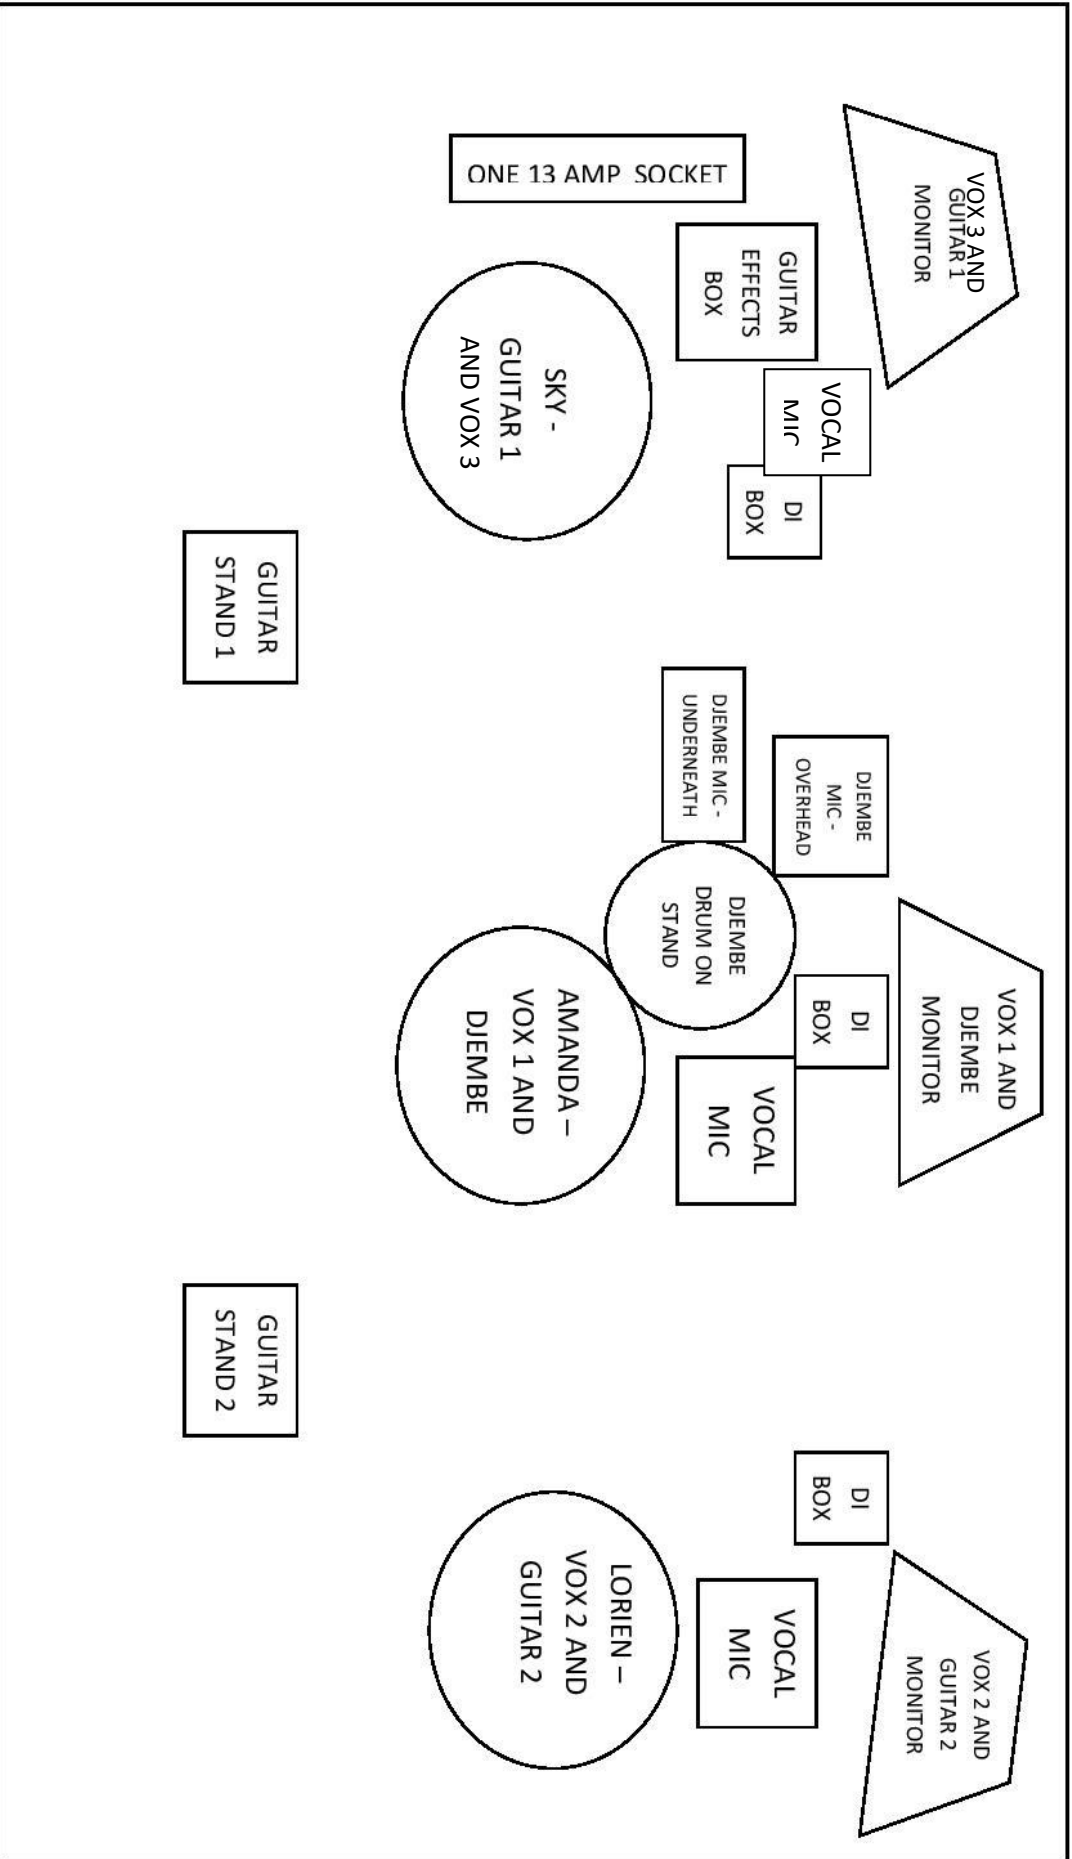

Thank you in advance, and if you need any more information from us our email is thefiresidefamily@gmail.com and you can reach us on 07504351834.
